Speaking and Listening Project

Where does our food come from?

Choose and complete at least one of the projects listed below:

Food Origins Map

Choose and locate food items on a map or online map to indicate where they originate.

Food Miles Detective

Pick two foods – one local and one imported. Estimate their journey distances using a scale bar or simple measurements.

Food Journey Storyboard

Create a simple storyboard or comic strip showing how one food travels from origin to table.

Fair Trade Poster

Choose a product and make a mini poster explaining what fair trade means and why it's important.

Seasonal Food Calendar

Draw or list seasonal fruits and vegetables available in your area during different months.

Map a Fair-Trade Route

Using a world map, trace a simple trade route for one food. Add arrows and labels.

Project Deadline: Tuesday 21st October
