

LIVING THINGS: CLASSIFICATION

HOMEWORK PROJECT

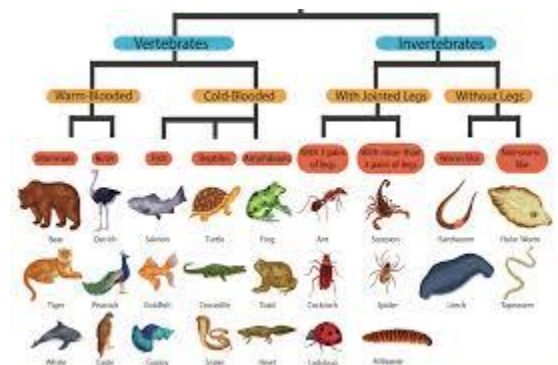

All living things can be grouped according to their characteristics. This means they share some features with other living things and therefore can be grouped together. Once they are grouped, they have been classified - this means they have joined a group.

YOU HAVE 4 OPTIONAL PIECES OF HOMEWORK TO COMPLETE, EACH HAS A REWARD OF 5 DOJOS AND A BONUS REWARD OF 10 DOJOS FOR THE COMPLETION OF ALL 4 PIECES. HOMEWORK IS SET ON WEDNESDAY 3RD OF SEPTEMBER AND IS DUE IN ON MONDAY 13TH OCTOBER, BUT PLEASE START BRINGING IT IN AS SOON AS YOU COMPLETE A PIECE.

Research and create a fact file on
