

## **Admissions Consultation: Proposal to Reduce PAN to 30 for 2027–2028**

### **What is happening?**

Cleobury Mortimer Primary School is consulting on a proposal to **reduce our Published Admission Number (PAN)** for Reception from **37 to 30 places**, starting from the **2027–2028 academic year**.

PAN is the number of pupils a school plans to admit into Reception each year. This change will help us maintain sustainable class sizes and ensure resources are used effectively to support high-quality education.

### **Why are we proposing this change?**

We believe reducing the PAN will:

- Improve the learning environment by keeping class sizes manageable.
- Ensure staffing and resources are aligned with pupil numbers.
- Support the long-term sustainability of the school.
