

# MENU

---

Below is Cub Class homework menu for Spring 2 (2026)

Thank you for your support.

## Compulsory Elements

Please listen to your child read daily covering a range of text types including fiction and non-fiction. It would benefit your child if they could talk about the texts that they have read in order to develop their comprehension and understanding.

10 minutes per-week on revising number bonds to 10, 20 and 100. It is really important that the children develop a quick recall for these number facts-

## Optional Extra

I would like to provide the additional opportunity of completing a half term project based on 'Flight'. This could include research, artwork or writing a comparison about the history and development of flight. It could also be based on a famous historian, such as Amelia Earhart.

Projects to be completed and handed in week commencing Monday 9<sup>th</sup> March 2025.

This half term we are also learning the harder to read the common exception words:

Child  
Children  
Bath  
Beautiful  
Climb  
Floor  
Father  
Find  
Have  
When  
Went  
Was  
Which
